

New 5 Watt Surface Mount DC/DC Converter

PowerGate LLC introduces the TES-5 Series of High Performance Surface Mount DC/DC Converter in a small 1.31 x 0.81 x 0.40" Encapsulated Package. This DC/DC Converter solution is ideal for battery powered equipment, instrumentation, communication systems and industrial controls.

The TES-5 Series of DC/DC Converters consists of 21 models offering 9-18 / 18-36 / 36-75 VDC input ranges with single and dual outputs ranging from 3.3-15 VDC. Standard Features include: -40~+85°C operating temperature range; high efficiency operation from 76-85%; 1500 I/O isolation; short circuit protection; remote on/off control; high accuracy of pin co-planarity; EN55022 / FCC level A emissions; lead free design – RoHS compliant and a 3 Year Product Warranty. Products are qualified to CSA/UL/EN 60950-1 Safety Standards.

Sample units available from stock with production lead time typically 6 to 8 weeks. Complete specifications are available for download from www.powergatellc.com. Standard pricing as low as \$21.70 for 500 piece quantities. Contact PowerGate directly for sales and application support at sales@powergatellc.com or (866) 588-1750.
